Dedication

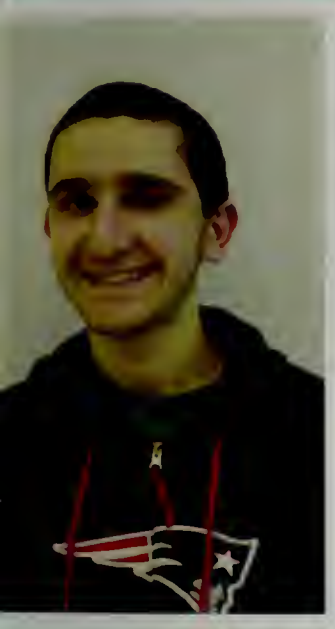
Thank you Mr. Peabody, Peabz, for a wonderful four years. Having a Vice Principle who is so personable with a great sense of humor has made getting in trouble a little bit more bearable. His signature mustache and taking care of business attitude will forever be remembered by the Class of 2010. Again, thank you for being there for us, we will miss you!

The Class of 2010

Class Advisors

On behalf of the senior class, we would like to give a special thank you to our class advisors. Mrs. Horne and Mrs. O'Brien put forth their time and effort to make our senior year so memorable. All of this would not have been possible without them.
Thank You!

A special thanks...



To Matt MacArthurr, Wes Clark, Dan Grady, Shane Morris, Kyle Gomes, and any of our other classmates who are going to serve our country.

The past four years at Bridgewater-Raynham Regional High School have been full of wonderful moments. Our parents, teachers, and coaches have all helped make our four years in high school so special. The yearbook has been divided into the following sections:

Faculty
Athletics
Organizations
Events
Seniors
Underclassmen
Advertisements

When put all together, these sections have helped form our lasting memories.

Retiring Faculty

Mr. Robert Kostka

Mr. Robert Kostka, chair of the Social Studies Department, is retiring this year after being part of the B-R family for 40 years. He has developed a true following with his sociology classes. As his many students will tell you, his Type 2 personality (and what kind of wing did you say you had???) will be sorely missed along with his dedication. Thanks and gratitude to you, Mr. Kostka! Enjoy your retirement years!

Mrs. Patricia Anania

Mrs. Pat Anania came to us from West Bridgewater. She has been at BR for 15 years. Mrs. Anania passionately teaches earth science. She loves nature and strives to excite her students about their environment and what is happening around them. Mrs. Anania has led the Science Olympiad team for 10 years. She has kept this team alive through very difficult financial times. This team has grown and had many successes under Mrs. Anania's guidance. Pat has given a lot to the students of BR. We will miss her in the science department and in our school. Thanks Mrs. Anania!

Mr. Alan Coughlin

Mr. Al Coughlin is the Senior member of the Science Dept. He has been the department head for 5 years. Mr. Coughlin is a veteran and a hard worker. He has taught earth science to thousands of students over the years. Mr. Coughlin is professional, kind, and respectful to all that work with him. He has been a good friend and a dedicated teacher. We will miss him. Thanks Mr. Coughlin!

Mrs. Susan Brougham

After many years as a first grade teacher, Mrs. Brougham arrived at the high school in 2004 as our new librarian. The transition from elementary school to high school could not have been smoother. She was a welcome addition to our staff and a fierce advocate for our library. Her creativity transformed the library by adding decorative bulletin boards and educational posters. She set up quiet study areas for staff and organized and trained a wonderful group of docents to assist us as well. She was able to provide new and modern resources even under difficult financial times. We wish her all the best as she retires and will truly miss.

JACQUELINE B. FORBES, Ph.D.
SUPERINTENDENT

June 2010

To The Class of 2010:

You have achieved an important milestone in life. Graduation is a time to reflect on the past four years of a challenging yet rewarding high school experience. It is also a time to look forward to a promising future.

Bridgewater-Raynham Regional High School has provided you with the necessary knowledge and skills upon which to build your future. Knowledge is not enough to be successful; it is how you use that knowledge that counts. Use your wisdom to do the right things, to act on principle and with compassion for others.

Go forth with the confidence of your teachers, families, and yourselves into a world that holds limitless possibilities. On behalf of the Bridgewater-Raynham Regional School Committee, I wish you all the best in your future endeavors. Make us proud!

Congratulations to the Class of 2010!

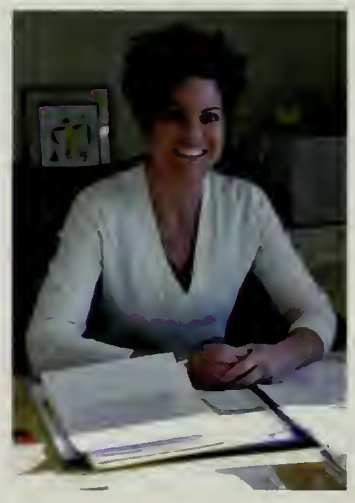
Jacqueline B. Forbes
Superintendent of Schools

From the Principal

To the class of 2010,

I wish you the best of luck! I have been honored to work with such a fine group of young men and women during my first year as Principal. Four short years ago, we embarked on this journey together and I feel that in that short amount of time we have learned and grown a great deal from one another. You never ceased to amaze me with your hard work and ability to rise to the occasion in all that you have done. The core of your experience at B-R is one you should all be proud of. Through all the ups and downs over the course of your high school years, you passed the tests put before you and met the expectations set for you not only by your school, but by your families. You have established high standards for your peers to follow and you have always represented B-R in the most positive light.

Although this chapter of your life is closing, another one is beginning.....the beginning of your life as young adults with increased responsibilities and expectations. Remember to always have the courage to seek the truth, to speak the truth, and to stand up for the under dog – even if yours is the lone voice doing so. Have the courage to trust your own moral compass – your innate understanding of right and wrong. And have the courage to accept that you are not perfect, nothing is, and no one is – and that is ok.



In closing, I want you to remember one thing....be proud of what it took to get to this special day. Remember the hard work you put forth to get to this moment and realize that it is just the beginning of a wonderful journey. Congratulations and good luck to you!

Sincerely,
Angela Watson

""And the Britney song was on..."
This year's Varsity Football Cheerleaders proved to be a wonderful group of girls. These ladies have a great ability to balance fun and hard work. It was through their dedication and perseverance that we were able to have a successful season. The team placed second in the OCL and qualified to advance on to the regional competition. Senior Captain Brittney Morgan describes the team as "amazing girls who bonded to form one of the closest teams BR has ever seen and I'm proud to have been a part of it". Senior Captain Katie Sheridan says "Cheer girls, thanks for a great year! Unforgettable times at Gillette! Good Luck next year! " These girls along with our other two seniors Kailey Walsh and Courtney White will be greatly missed next season. "G-N!"

"This year went well. A recovering program led by great seniors including captains Nick Marini and Michael McKinnon. A good bunch of kids represented the school well this year, and the future looks great for the Trojan Cross-Country team. Thanks for a great year guys."

"To the Seniors of the Girl's BR XC team: Thanks for a great season. It has been a privilege to watch you evolve from timid participants to fierce competitors. I hope you will make long distance running a life-long healthy habit! Good luck with your future endeavors. I am so very proud of each of you.

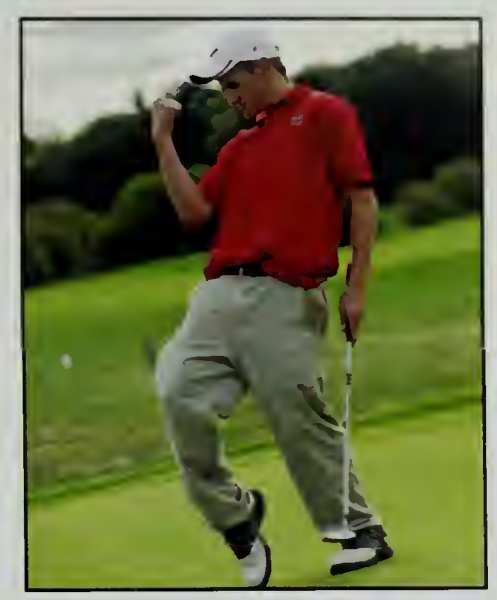
Girl's Cross Country

Field Hockey

The Lady Trojans, led by 14 seniors, and 4 captains, Jill Wyman, Megan Gilmartin, Emily Hemming and Amanda Wong, finished with a 6-10-2 record. The team exemplified commitment and tenacity at practices and games and remained positive throughout the entire season. We will miss our senior leadership, but are hopeful for the 2010 season.

Ms. Sullivan

2009-2010 Varsity Field Hockey Team:



The BR golf team had several goals at the start of the season. Among them was to qualify for the state tournament and finish well in the Old Colony League. Unfortunately they got off to a very slow start with a 1 and 6 record. Both goals didn't seem possible as they entered the second half of the season. They won their next four matches and finished strong with an 8 and 8 record qualifying for the State Tournament by beating Attleboro 241 to 269 in the last match of the season. Their OCL record was 5 and 3 which allowed them to finish in second place. They finished 7th in the MIAA State Division 1 Golf Tournament, with 2010 returning golfers Cody Nussbaum and Chris Oien posting scores of 79 and 81. The Old Colony League Tournament recognized the top ten finishers and three BR golfers received awards. Co-captain Matt Hart and Cody Nussbaum tied for third place and Trey Sibert finished in sixth place. The team looks forward to the 2010 season with five returning starters and with many promising underclassmen.

Coach Pimental

Football

The Trojans surpassed all expectations this year by holding a 10-3 overall record. With big wins against Attleboro and Taunton, it led to an OCL championship for the team.

After beating Needham in the Division 1A playoffs, the Trojans got the opportunity to play in a snow-filled Gillette Stadium for the Super Bowl.

Boy's Soccer

The B-R Boy's Soccer Team enjoyed a fun, thrilling season, posting one of their best records in years. The Trojans, runners up in the Old Colony League, qualified for the state tournament midway through the season, as Senior Captains Elias Loucagos, Skylor Nelson, and Tom Mullen provided remarkable leadership. Highlights of the season included a 2-1 victory over Brockton; an exciting come-from-behind 3-2 win against Dighton-Rehoboth, in which B-R scored twice in the final 3 minutes (Tom Mullen had 2 goals and an assist); Skylor Nelson netting 2 goals and adding an assist in a 4-1 defeat of Taunton; and a win on Senior Night. Everyone contributed to the team's success, and seniors Sebastian Celeita, Bryan Cohoon, Matt Curtis, goalkeeper Zeke Georgantas, Brendan Glavin, Tim Kennedy, Marquis Marshall, Collin McLaughlin, Shawn Morin, Matt Needham, Nick Rogers, Junior Saad, and Mike Zutaut will be difficult to replace and certainly missed next season. Nevertheless, they leave the B-R program in good hands to a group of solid underclassmen, including Jeff Sherman, Sam Babchuck, Joe Esposito, Nick Burnett, Garrett Kelly, Tyler Smith, and others. The Trojans should be a contender for the OCL crown and post-season play again next year.

The Lady Trojans had an impressive year. They had two ties and one loss in their first three games of the season, but they soon found a balance and went on a six game winning streak. The young, but talented Trojans were able to overcome obstacles such as injuries and the flu that seem to take over the players one by one. The girls not only found a balance in their play, but they competed like champions into the quarter finals of the post season tournament. This truly was an astounding achievement since many regarded this year as a building year.

Volleyball

The team continued to work towards turning B-R Volleyball into a winning program. The senior captains were great leaders on the court. Jess Chute was an aggressive and powerful outside hitter. Kate Bumpus balanced the roles of middle hitting and setting. Tara Conti played well wherever she was asked. Standout juniors this season were Allie Sasenick, Daryl Medeiros, Kelsey Baumgarten, Kendra McMasters and Steph Sylvester who each contributed individual strengths to the team. The girls worked extremely hard and showed improvement as the season progressed. The Seniors have shown dedication for the past three seasons with me as their coach and never gave up no matter what their record was.

Boys' Basketball

The Trojans Boys Basketball team finished the season with a 5-15 record. Headed by Senior tri-captains, Ryan Duff, Michael Connolly, and Michael Reichert, the team fought hard all year. The Trojans played hard, and had a chance to win almost every game. On senior night, in the final home game of the season, the team was able to get a close victory over Plymouth North with key baskets scored by both Ryan Duff and Mike Connolly. Overall, it was a great season that will be remembered for the extensive effort given by every team member.

**Captains*

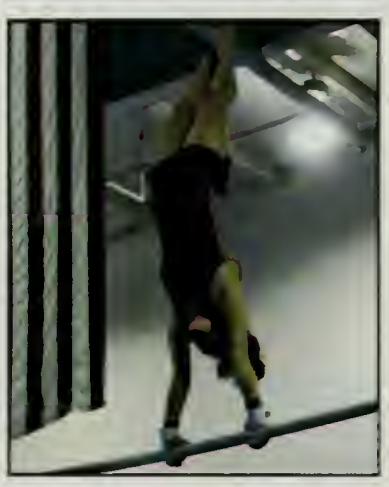
Taryn and Amanda are exceptional student-athletes that have had numerous achievements both on and off the court during their B-R Basketball career. As our team captains and senior leaders, they have a competitive spirit that has propelled our team to achieve their goal of making a return trip to the state tournament.

The 2009-10 Girls Basketball team had 3 returning Varsity players and 8 newcomers that made up this years squad. The teams commitment, hard work, and dedication helped the team achieve their goal of qualifying for the state tournament and 2nd place finish in the OCL.

Coach Nicole Orlando

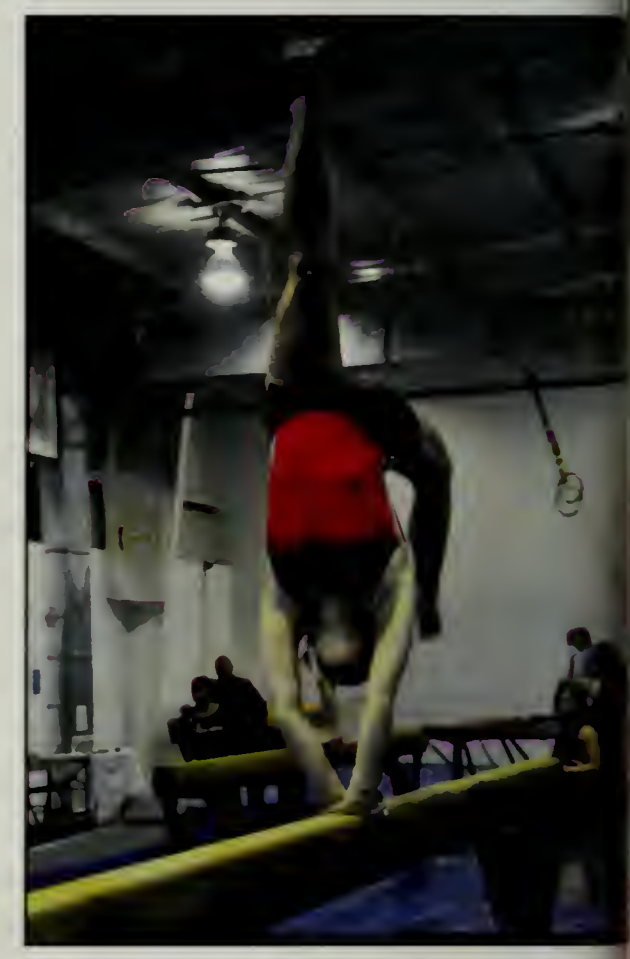
Girls' Basketball

Gymnastics



The 2009-2010 Lady Trojans Varsity Gymnastics Team had a season for the record books. The girls had a 7-0 record in the Cranberry League North Division. The team not only competed well together, but their unity and spirit was extraordinary. Senior Captains Rachel Livolsi and Jillian Kitterick, and Junior Captain Kelsey Baumgarten lead the team. The team also qualified for the MIAA South Sectionals in hopes of qualifying to the MIAA State Championship.Individual highlights were Rachel Livolsi qualifying to the MA state individual competition on Bars,Beam and Floor, Rachel placed 4th in state on bars losing only by .075 of a point. Freshman stand out Mary Korotsky also qualified as an all around competitor,a very hard task to do as a freshman.In the Cranberry League, Jillian Kitterick was named Sportswomen of the league and Rachel and Mary both took home All Star awards. I'm very proud of the team for their gymnastic talents, positive attitudes and willingness to work hard and challenge themselves.

-Coach Stephen Cudworth



The 2009-2010 Boys Ice Hockey team has high hopes for their season. Last season they reached the state quarterfinals losing to eventual State Champ Springfield Cathedral. Only losing four seniors from the team gives the boys expectations for even greater things. Led by captains, Jimmy Weldon, Josh Deangelis, Ryan Donovan, Robbie St.Germain and fellow seniors Matt Hart , Tyler Whealan and Ryan Drowne, the team began the season ranked 13th in the state. The players and coaches have hopes of a repeat Old Colony league Championship and trip deep into the State Tournament.

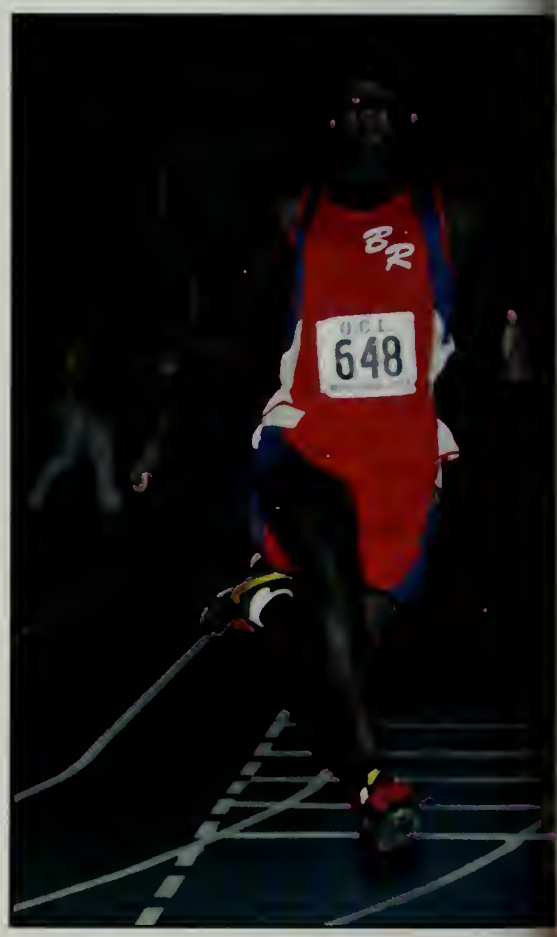
Coach Jones

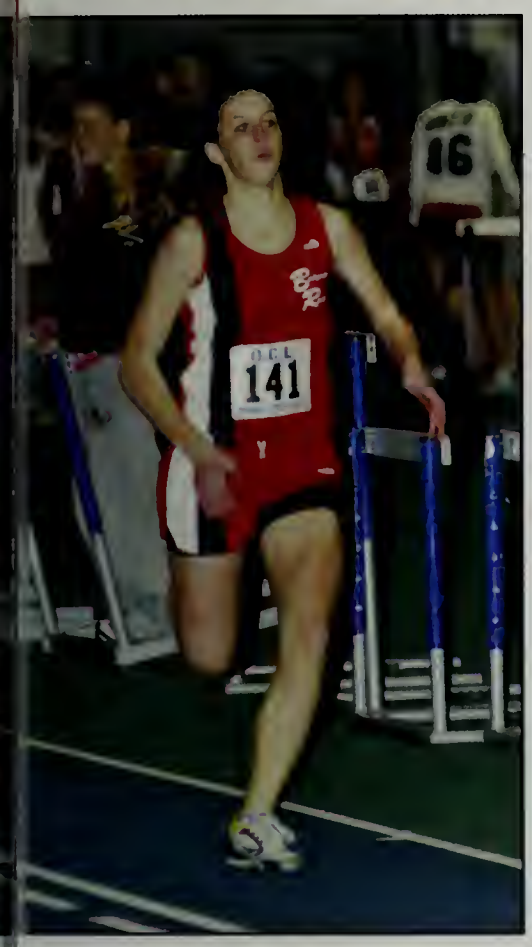
Ice Hockey

Boy's Winter Track

The Winter Track team led by Tom Mullen, Kyle Reid, and Neil Harrington look to lead the mighty Trojans to an OCL companionship. The Trojans are the pre-season favorite to win the league. The seniors on the team, Nick Marini, Marquis Marshall, Cam MacDonald, Russ Reed, Mike McKinnon, Mike Warish, Doug Smith and Steve Cooney provide great leadership that is key to winning a championship.

Coach Ray Wilcox





The Girl's Winter Track is led by Erin Desrocher, Andrea Murray, Jill Wyman, and Kassandra Aveni. The senior girls are hoping to lead the Trojans to an OCL championship this season. The Trojans are the pre-season favorite to win the league. Strong and dedicated leadership shown by the capitals, along with fellow seniors, Molly Pomroy, Sara Cote, and Alexis Damish is key to winning a championship.

Coach Paul Urban Jr.

Girl's Winter Track

Swimming

Developing from a team of 8 to a team of close to 30, the swim team has grown exponentially. With a new coach and many new members the team is doing very well for their third season as a Bridgewater-Raynham High School sport. Team spirit was very high this season and many friendships have developed.

The Bridgewater-Raynham Regional wrestling team won the South Sectional State Championship in 2009 season. The graplers are striving to achieve this goal for a second straight year and have their eyes contending for a Division one state title. The captains are Donnie Sheridan, Steve Libby, Steve Capobianco, and Matt Libby. The defending D1 South Champions are looking for big seasons from Seniors; Shaun Quigley, Tim Kennedy, Cody Jaramillo, Juniors; Adam Travaglione, Tad Peterson, Colin Harrington, Bob Holstein, Nathan Jaramillo; and Soph; Brandon Echevarria, Dan Crieghton, and Vasili Gerakis. Hopefully with hard work some of these athletes will make the state championship board for the 2010 season and battle for a team title. The coaching staff is lead by Head Coach Jeff Francis and assistant coach is Scott Blake. Volunteer coach Lee Beane (B-R Graduate and All-American Wrestler at B-R), Ken Carigan in eighth season and off season specialist. Rob Leroux (New England Champ) Devin Hennessey in his second season (Two time New England Finalist) Tony Libby as leg specialist.

Boy's Lacrosse

The 2010 Boys Lacrosse team went into their second varsity season with the goal of winning the Maritime Lacrosse League championship. Captains Tyler Whealan, Dan Johndrow, and Josh Crawford led the team on their charge towards this mission. These leaders, along with senior Mike McKinnon and fourteen other returning players formed an experienced core. This group, with the help of seven newcomers, showed tremendous work ethic and enthusiasm. The Trojans played committed, smart lacrosse; hoping to earn their first tournament berth.

The 2010 Girls Lacrosse Team is driven by their spirit and determination. Not only are these girls a team, but they are a family on and off the field. Led by senior captains Stephanie Cicalis, Megan Gilmartin, and Kristen Jones, the team works together and strives for excellence at each practice and every game. They face upcoming challenges throughout this season's schedule and have great hopes of coming out on top in the Maritime Lacrosse League. Through the struggles of becoming a new Varsity Sport, they've prevailed in playing by the motto "Leave Your Heart on the Field."

Girl's Lacrosse

Baseball

The B-R Baseball team has high hopes for the 2010 season with a good nucleus of returning starters from a team that went 20-3 last season, finishing in the South Div. 1 Final Four for the 2nd consecutive year. Seniors Eddie Campbell (Capt./18-1 career record/Va. Tech), Mike Connolly (Capt./excellent SS/UMaine), Nick LeBlanc, Will Rolls (3rd base/Franklin Pierce), Brendan Glavin and Jon Palmer (CF/ECONN) as well as juniors Billy Zolga, Mike Devin, Kyle Campbell and Garrett Kelly give B-R excellent pitching depth and experience. James Alfonso (Capt./UHartford) returns as one of the best defensive catchers in EMass and will be backed up by Connolly and sophomore Brandon Hoyle. Neil Harrington (Assumption for football) will lead off and play 2nd base, followed by Palmer, Connolly, Campbell, Alfonso, Rolls, Ryan Drowne (senior OF/DH) and Zolga (OF/3B) to give B-R a strong offensive line-up. In addition, juniors Sean McCall (SS/OF), Matt Ives (OF), Cody Nussbaum (1B) and Matt Collins (2B) will be solid starters. Seniors John Scleparis and Russell Reed will be valuable reserve players off the bench.

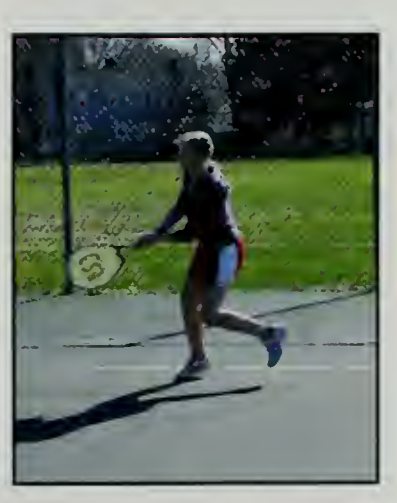
The BR Varsity softball team is looking good this year. Nicolle Brenza, Amanda Wong, and Haley Sarcevicz are the three senior captains this year. Behind the plate catching for Audrey Dolloff is Nicolle Brenza who was named 2009 All-American. Return infielders Amanda Wong, Alyssa Gray, and Alyssa McKinnon should be leading another strong defense this year, backed by returning outfielders Devinn Doherty and Haley Sarceviez. New additions to the varsity team are juniors, Rachel Bergeron, Stephanie Sylvester, sophomore Rachel McCall and freshman Chelsea Corriea.

Softball

Boys' Tennis

The tennis team is coming off of a 15-3 season. During that season all stars, Steve Viera, Zack Hall, and Shane O'Connor, did very well. They have all returned determined to improve on last years tournament run. Co-Captain Elias Laucagous will be returning to the first doubles team. Others contending for spots on the starting roster are seniors Pat Koczela and Ryan Johnson, and Juniors Josh Steffen and Alex Laham. A strong group of sophomores and freshman add to the competitive mix.

The Girls Tennis team faces a challenging year as the defending OCL Champions. Senior Captain Jillian Kitterick and Samantha Counts, along with returning veteran Allie Chabot, Liz Baird and Randi Hatch will lead the Lady Trojans in 2010. Sophomores Sarah Almeida and Emily Thomas look to challenge the rest of the teams for playing time as we have the longest turnout in years and some talented young players in the mix.

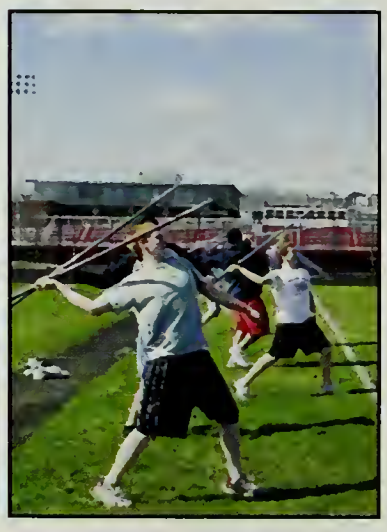


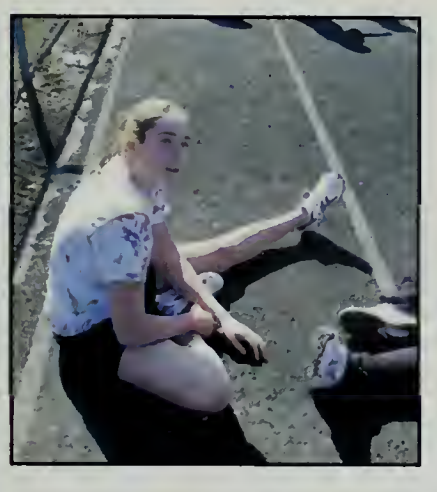
Girls' Tennis

Boys' Spring Track

The Boy's Spring Track team looks to compete for the OCL Title this year. This year's team is lead by Tom Mullen, Kyle Reid, Cam MacDonald, Marquis Marshall, Nick Marini, Mike Warish, and Doug Smith.

-Ray Wilcox





The Lady Trojans Track Program has excelled throughout the last four years with help from Kassandra Aveni, Molly Pomroy, Andrea Murray, Erin Desroschers, Jill Wyman, Sarah Cote, and Alexis Damish. Theses ladies worked very hard to clinch the title of Old Colony League Champions four years in a row. With countless OCL All-Star and All-Scholastic achievements among these girls, the track program would not be the same without them. These athletes competed at Division State and All-State levels numerous times.

Peer Mentoring

This is the second year for a fabulous new program at BR. Students have volunteered and undergone training to become mentors both to high school peers as well as younger students. The Mentors developed the BRIDGE program which works to introduce 8th graders to the high school improving the transition. Mentors put on programs for other middle school grades to promote social action such as reducing bullying, appreciating differences, respect, etc. Mentors are also available to help new students entering BR during the school year to make a smooth transition.

School Commitee Advisory Board

The School Committee Student Board is an elected group from each grade who interview club advisors and present their findings to the Bridgewater-Raynham Regional School Committee. Committee members are very enthusiastic to hear their reports and receive these monthly updates as to all of the terrific events occurring within our school and the achievement of our students.

he School Council is a group f students, teachers, dministrators, and parents. he group works diligently to reate a school improvement lan and to review handbook anguage.

School Council

The School Climate Group works consistently to highlight and showcase student achievement and to promote positive interactions in our school community. This year the group co-sponsored the annual Breakfast with Santa and sponsored the popular 'Best of the Bunch" Breakfast. Through various activities, the group members help foster an appreciation of individual differences, cultivate feelings of pride in the school community and the community at large, and assimilate the meaning of respect towards self and others at Bridgewater-Raynham.

The BRRHS Science Olympiad Team belongs to the SE Massachusetts division which is part of a nation-wide organization. Mostly seniors, this year's team has won many medals! Moriah Illsley, our most highly respected captain, has four years' experience and has done a great job building the team with her leadership, creative ideas and dedication. This strong, winning team has made B-R proud.

Science Olympiad

Throughout the winter, the S & Ride Club plans trips to a variety of ski areas around N England including Waterville Bretton Woods, Sunapee, M Snow, Loon and Sunday Riv Ski & Ride Club is a great wa to make friends and enjoy a day out on the slopes!

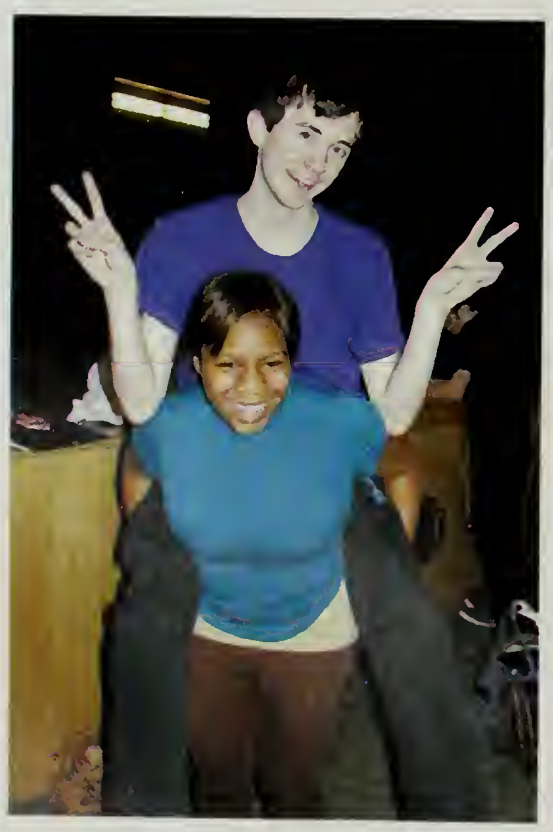
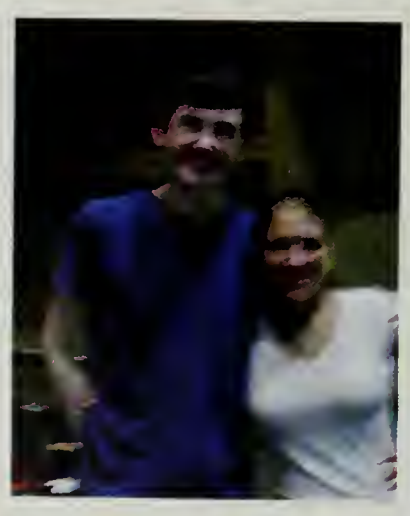
Raynwater Players Spring Musical





The Raynwater Players put in many hours of preparation to perform a Broadway musical each year. This year auditions were held to cast the immensely popular A Chorus Line, a show that earned a Pulitzer Prize for Drama in 197[illegible] It also won nine Tony awards and received a Special Tony Award in 1984 when it became the Longest Running Show in Broadway history. The members of the Raynwater Players support their endeavors through fundraising and ticket sales. From dancing, singing, and acting, to costumes, make-up, and sets, members work both on stage and behind the scenes to put on the best sho possible. Audiences excitedly await a fun-filled evening of musical theatre each year.

his is a club that consists of udents (voted in by peers) om all grades who will be osting a variety of fundraisers, ommunity service, school ctivities along with annual rives. These will include a tuffed animal drive for local rehouses transporting children n ambulances, as well as, the ood and turkey drive for hanksgiving. There will also be coin drive, teacher/cafeteria ppreciation week, the aculty/student basketball game, pirit week, collection for troops verseas, etc.

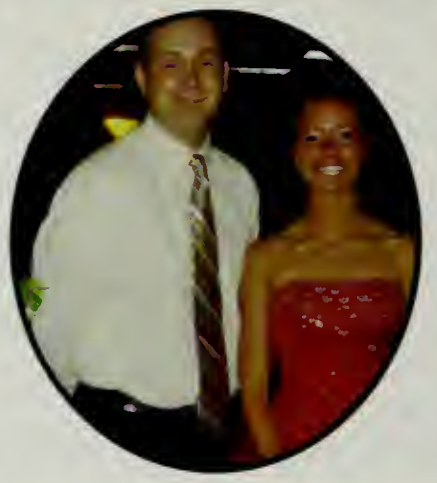
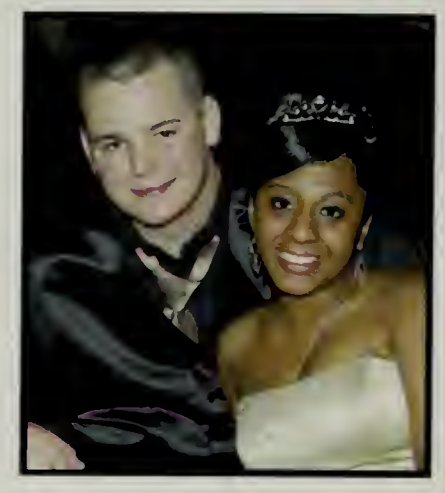
Junior Prom





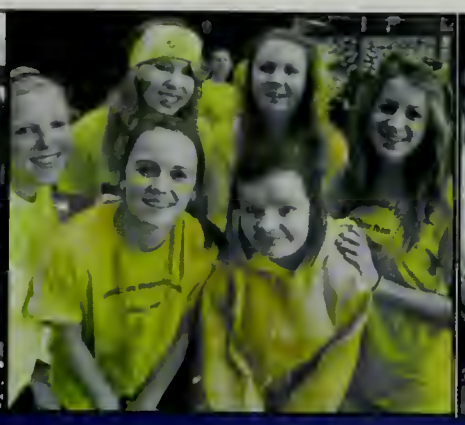
Junior Prom was held at Christina's in Foxboro. The entire night was filled with dancing and everlasting fun. "BR Wuddup!" will forever be instilled in all of our minds. T.J. Banks and Stephanie Slicis were named Prom King and Queen!

A fun time was had by all!

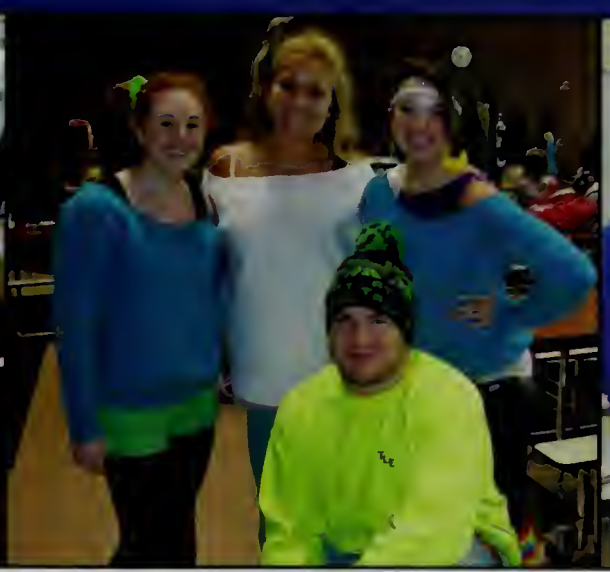
December 5, 2009

This 2009 B-R football team had an amazing season. The team made it all the way to the Superbowl at Gillette Stadium. The team played great, even through the tough, snowy conditions. Although, the team suffered a loss, the experience will be unforgettable.

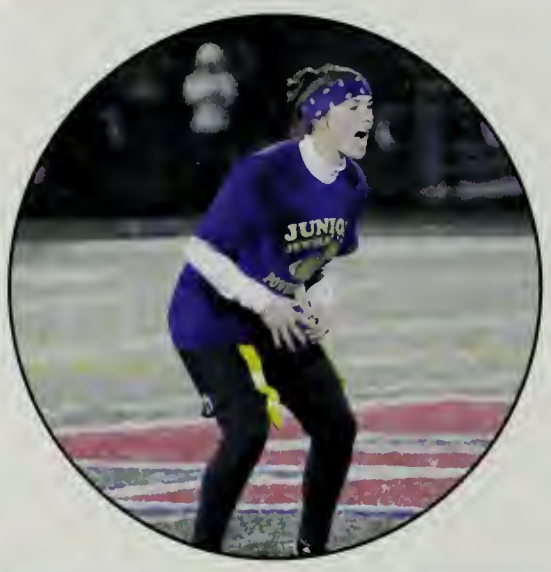
Superbowl



Spirit Week



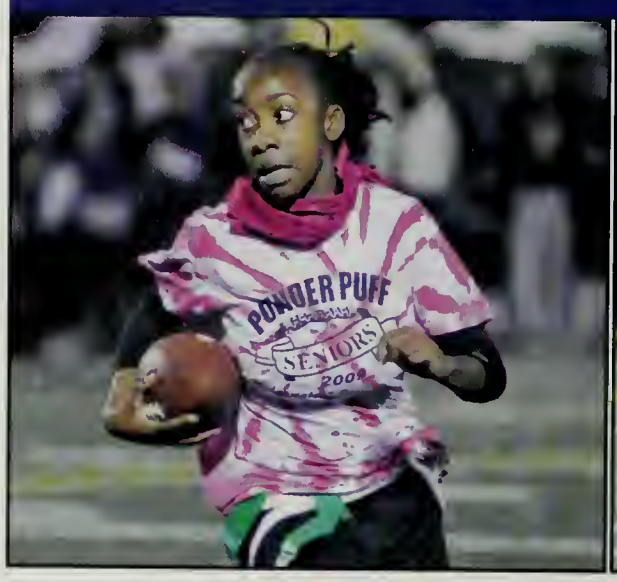
Full of fun and laughter, BR's spirit week entertained us all!
Whether it was Decades Day or Superhero Day the surprises were endless.
B-R's halls were full of spirit when we had Safari and Jersey Day!
Rivalry actually brought the school together for Pirates vs. Sailors Day and Color War.
This exciting week ended with a pep rally for our Thanksgiving football game!

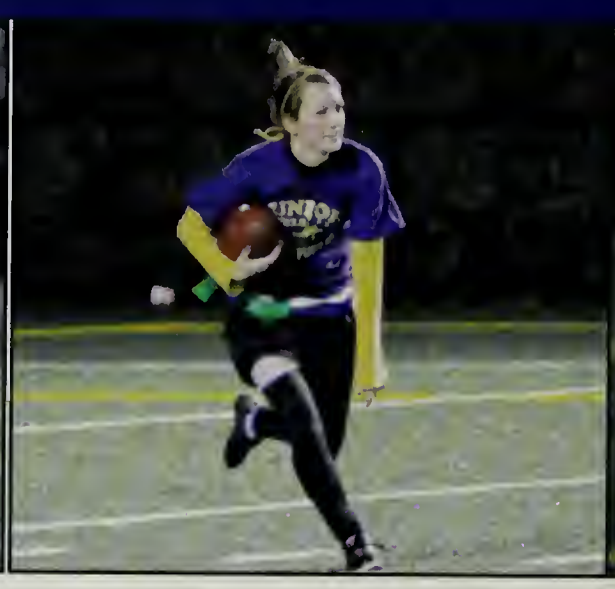


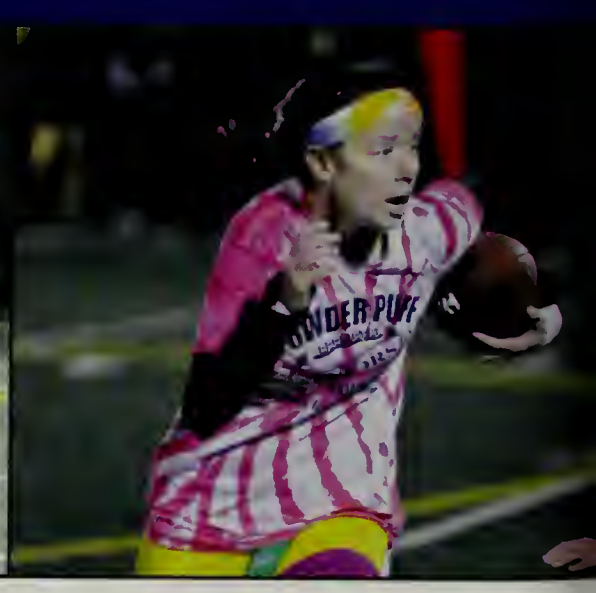
November 30, 2009

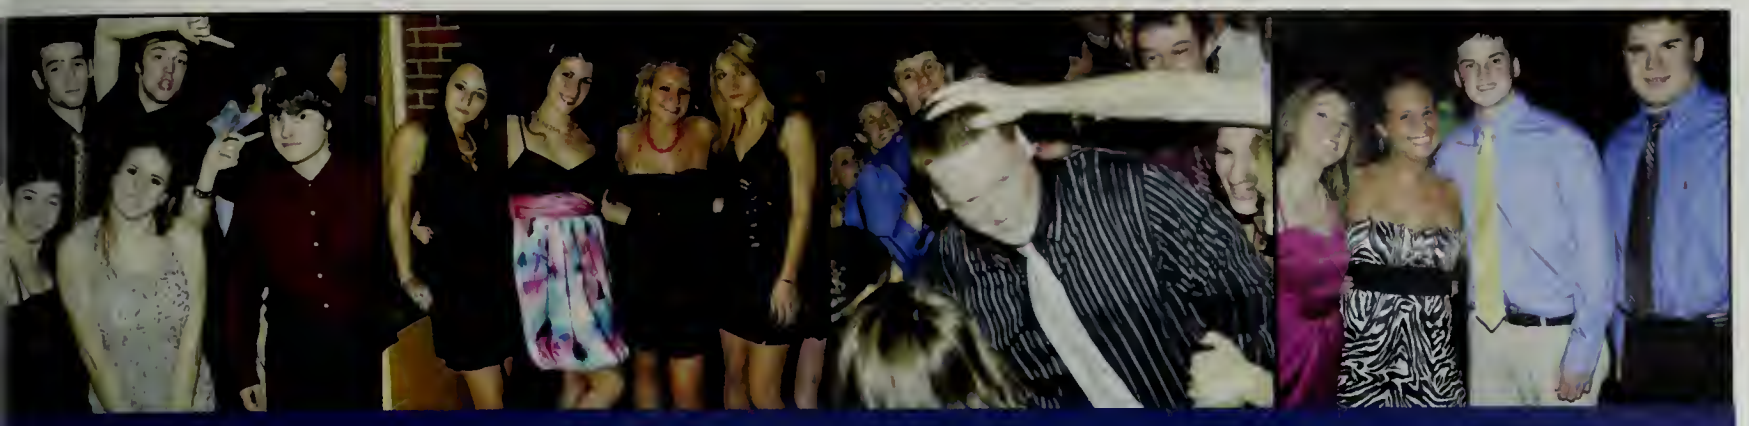
The age old rivalry between Juniors and Seniors was put to the test again this year. Although the air may have been raining and cold, it did not stop the Senior girls from dominating the Juniors. The game was filled with laughter and new memories that will remain in the minds of Juniors and Seniors alike. Congratulations 2010 Senior Girls!

Powder Puff









Semi Formal

November 20, 2009

This years semi formal was a huge success. Freshman, Sophomores, Juniors, and Seniors all mingled together, danced and shared good times. Mike Duran and Katie Sheridan won the titles of Mr and Miss Regional.

Pep Rally

November 25, 2009

The Pep Rally was a great end for a successful Spirit Week. The Seniors' energy was phenomenal and set a positive example for the Underclassmen. The annual scavenger hunt was a hit and of course won by the Seniors. As always the highlight was the Cheerleaders' and Football Players' dance routine.The Rally drew to a close with the reveal of class superlatives, and everyone left with high spirits.

Freshmen 2013

Spring Semi 2010 was a huge success. The gym was packed with students and the music kept everyone dancing all night. As always, Sandstorm was a crowd favorite. The Spring semi-formal was the last dance in B-R for the seniors, and will be remembered by all.

Spring Semi Formal

Mr. B-R

There was a record high of 20 boys competing for the title of "Mr.BR 2010" this year! The boys showed off their swimsuits, talents, and evening apparel for the judges to vote upon. It was a tough race, but Matt Lynn ended up winning the title!

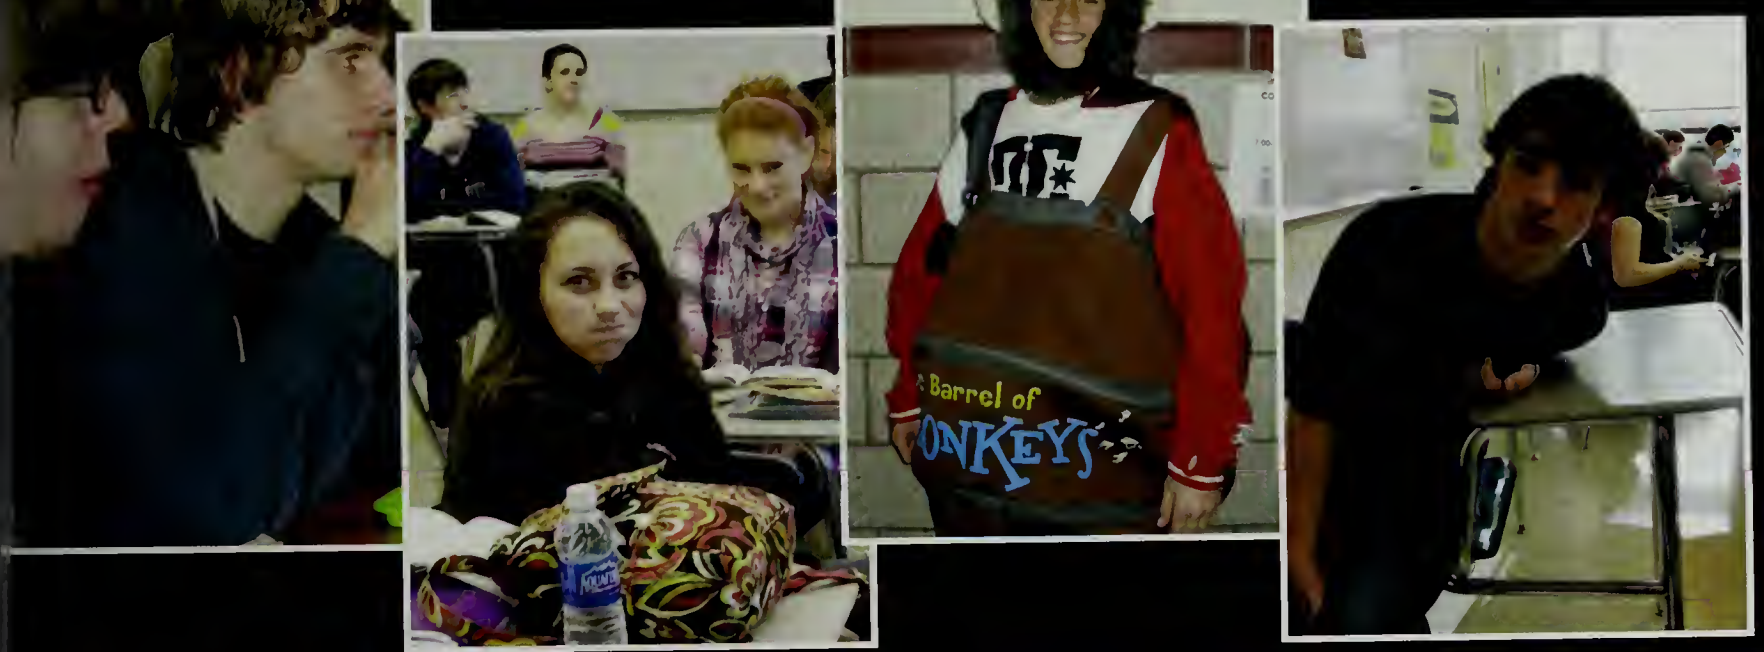
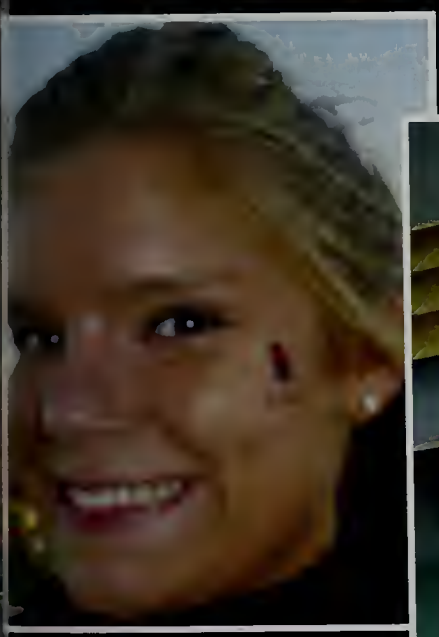
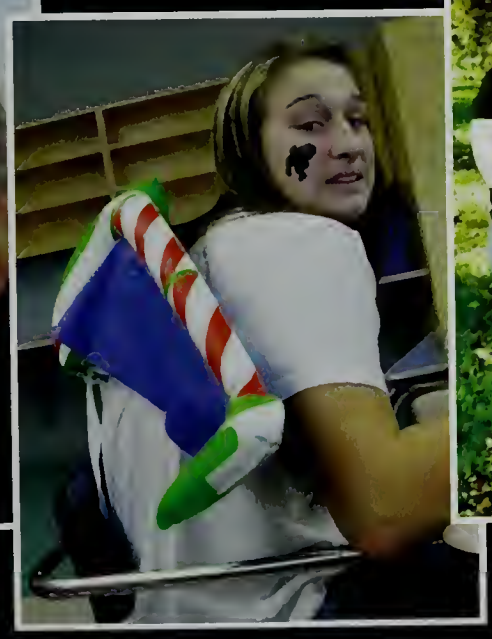
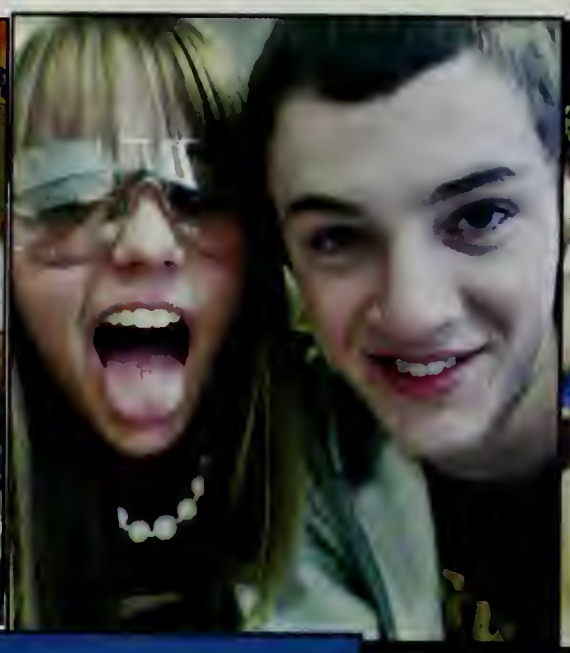
CONGRATULATIONS TO THE CLASS OF 2010!

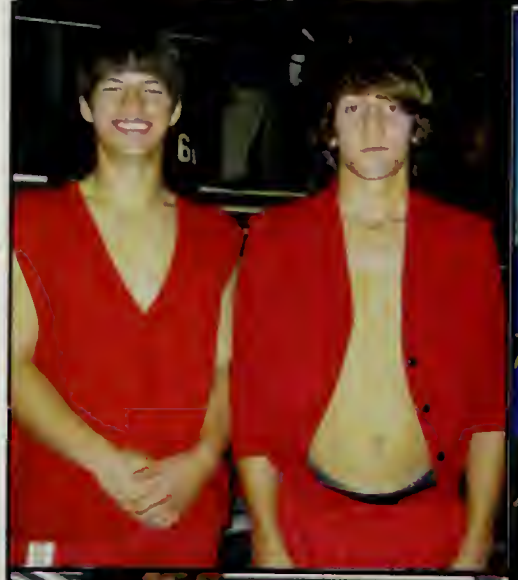
Barrel of
ONKEYS











From the Editors

Congratulations Class of 2010!

Making this yearbook has been stressful and time consuming, but very much worth it! Thank you to everyone who worked hard to make this book, donating time and pictures. We hope that you will look back on this yearbook and cherish the time you spent here. In the past four years, in the Old School and in the New School, we have been able to share our secrets, lockers, friends, and memories. It's hard to think that our lives are just beginning and we have so much more to experience. We wish everyone luck in whatever they chose to do (:

Live. Laugh. Love.

Inspiring People to Care about The Planet

You have come so far in twelve fleeting years,
embracing life's challenges, while planning your career.
Along this journey came fear and doubt, as you learned
what life was all about.

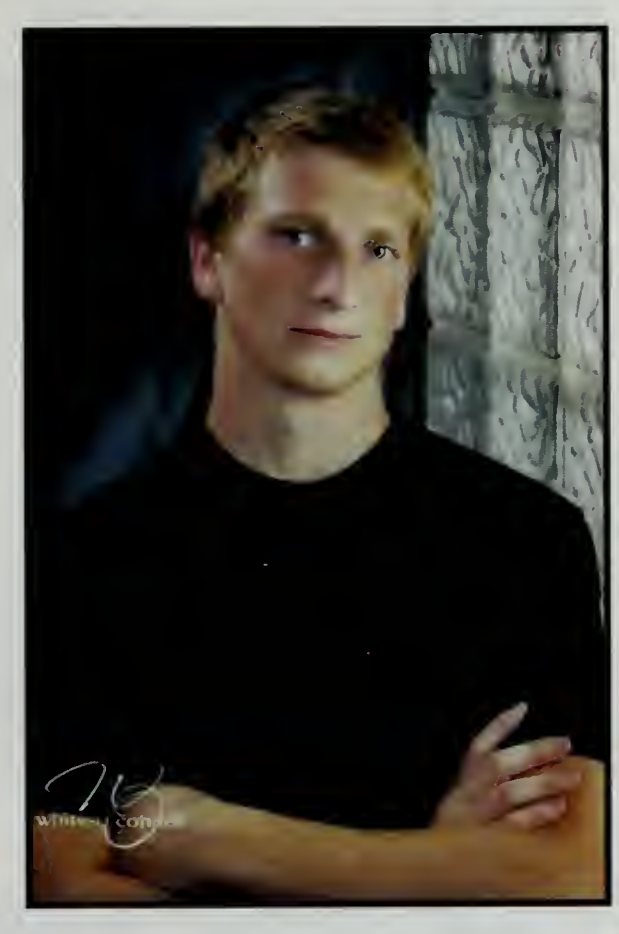
We watched you grow into a fine young man,
one, who never said never, but rather "I can."
Always a supporter of the weak not the strong, you
principles and character carried you along.

You handshake and work is as good as gold,
for you value friendships and family as everyone knows.
You've reached out to strangers and raised money too,
helping those who were less fortunate than you.

Not afraid to cry at the loss of someone you love,
you stand tall for your family, with strength from above.
A free spirit for sure, that we all know,
you're not afraid to set out in this world on your own.

So today stand proud on the day of graduation,
as you take the next step toward your career destination.
Prouder parents we could not be,
because as our son, you make it easy.

We love you,
Mom and Dad



The world is open to so many possibilities, and You are ready for the journey

You have set your compass, and are ready for the road ahead. Fortitude & courage will guide You.

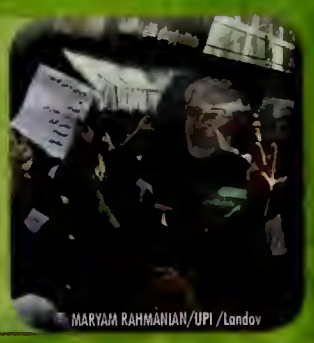
Iranian Election Protests

Iran's presidential election drew international attention when disputes over the winner sparked two weeks of protests. Reformist activists claimed Mahmoud Ahmadinejad's landslide win was a fraudulent mishandling of the ballots. The protests resulted in 20 fatalities, numerous arrests and trials for nearly 100 demonstrators facing charges such as attacking government property, violence toward security forces and creating panic in public.

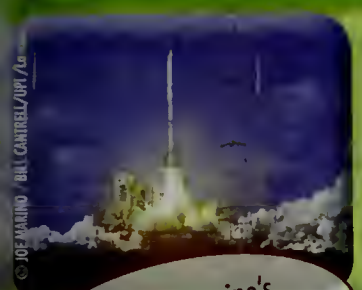


Sonia Supreme

With a vote of 68-31, Sonia Sotomayor became the first Hispanic person to become a Supreme Court Justice and just the third woman of all time. Sotomayor was appointed to the Supreme Court with 17 years of federal experience, having tried over 3,600 cases.

Toyota Troubles

Automobile giant, Toyota, recalled eight of its models after learning of a problem with its acceleration mechanisms that caused some gas pedals to stick and vehicles to accelerate without warning. Though the company said the problem is "rare and infrequent" it decided to recall about 4.2 million vehicles worldwide and brought U.S. sales and production to a halt. The company tried to remedy the situation and ease the nerves of uncertain drivers by sending new parts to dealers to fix the faulty pedals.



Ares Blasts Off

Forty years after putting the first men on the moon, NASA is once again elevating its space program with the new Ares 1-X Rocket. The streamline rocket's simpler design is cheaper and up to 10 times safer than its shuttle predecessors. Despite a successful first test in late October, officials say that the 1-X may not carry astronauts until 2017.

TIME Magazine's "Best Invention of the Year".

My Headlines

What were your favorite headlines of the year?

H1N1 Flu Outbreak

In the spring of 2009, H1N1 emerged with the first reported cases in Mexico. The virus reached the United States in April and officials worried the flu would spread rapidly, causing a global pandemic and fear that the unpredictable flu virus could mutate into a more dangerous strain. In the fall, President Obama declared a national emergency, enabling the government to provide more aid to the states. In the U.S. alone, millions of people were infected and thousands lost their lives. When a vaccine became available in the fall, thousands flooded phone lines and clinics around the country, as the demand greatly outnumbered the first supply.

Health Care Hurdles

In groundbreaking sessions of Congress, both the House and Senate passed bills for health care reform after months of debate. The next step was to merge the nearly $1 trillion proposed plans for a final vote. If passed, the bill would become the largest federal health care expansion in forty years since the introduction of Medicare and Medicaid. The goal of the bill is to bring extended insurance coverage to an additional 30 million Americans.

Surprise Prize

A surprise to many, the Norwegian Nobel Committee honored President Barack Obama with the 2009 Nobel Peace Prize, just eight months into his tenure. The committee explained it was Obama's "extraordinary efforts to strengthen international diplomacy and cooperation between peoples" that brought his name to the top of the nominees list. Upon learning the news, the president remarked that he was humbled by the decision.

Shifting Frontlines

President Obama announced the deployment of 30,000 additional American troops to Afghanistan starting in early 2010, bringing the total U.S. presence to about 100,000 troops. The intended strategy was to combat the growing momentum of the Taliban in the region and to provide training for Afghan security forces. Plans to begin withdrawing troops were set for 2011.

Dubai in the Sky

Marking a stunning architectural achievement, the Burj Khalifa in Dubai opened, becoming the tallest skyscraper in the world. The towering needle-shaped structure stretches nearly 2,700 feet into the air. The building has 160 stories which include apartments, office space and a hotel designed by Giorgio Armani. The eye-catching main attraction of a new shopping district, the Burj Khalifa reportedly cost $1.5 billion to build.

Found 18 Years Later

The discovery of Jaycee Dugard 18 years after her disappearance renewed hope for families of missing children. When Dugard was 11 years old she was abducted by Philip Garrido while walking to her school bus. Joycee was held captive in Garrido's backyard. Both Garrido and his wife face multiple charges, including kidnapping and false imprisonment. Jaycee has since reunited with her family.

Science & Discoveries

Aerodynamic Seeds

"Helicapter seeds," the seeds fram maple trees, have pravided hours of fun far children but reseorchers were stumped as to whot made the seeds hover. A team af Dutch and American scientists discovered the answer. When a maple seed swirls, o tarnada-like vartex lawers the air pressure araund the seed, sucking the wings upward ta appase gravity—insects, bats, and hummingbirds emplay the same technique.

In Hot Water

Ocean temperatures araund the warld measured 1 degree higher than normal between June and August, averaging 62.5°F, according to the Natianal Oceanic and Atmospheric Administration. August saw the warmest temps an recard since 1880, when record keeping began. Thaugh climate change is listed as a factar, meteorologists say the warming is also due in part ta a natural El Niño system. Ocean heat puts caral reefs in harm's woy and alsa contributes ta melting Arctic sea ice and hurricane strength.

A Farmer's Friend

Even plants have jained in the text-messaging craze. Through SmartCrop™ infrared thermometers planted in sail, plants can "tell" farmers when they are hat or thirsty. Mast crops have an ideal temperature for grawth and these thermameters allow farmers ta be natified by text message if o plant has risen abave the ideal temp.

Growth Spurt

The 8ristlecane pine is the warld's langest-lived tree, sustaining ages up ta 4,800 years. Recently, researchers found that these ancient trees are growing ot a much faster rate than ever befare as evident by its widening rings. The growth is presumobly due ta the increase in temperoture in their high-oltitude climote over the past 50 yeors.

Solar Energy Makeover

Developers have found two woys ta moke solor power ponels more oppeoling to the overoge homeawner. First, underground panels use fiber aptic cobles to copture ond distribute sun energy, instead of heovy ponels. The second option is to incorporote shingle-like solor panels that hove o thin copper film covering to obsorb light energy into the roof. The Powerhouse™ Solor Shingle is expected to be less expensive ond easier to instoll thon full-size panels.

Poo Power Payoff

In response to rising energy costs year-after-year, Shawn Saylar turned ta an unlikely renewable saurce ta pawer his family's dairy farm. Using the manure fram 600 caws, Saylar used o process knawn as anaerabic digestian ta generate energy. Saylor explained that this method praduces o savings af about $200,000 per year with the ability to sell left aver energy back to the power campany.

Tiny T-Rex

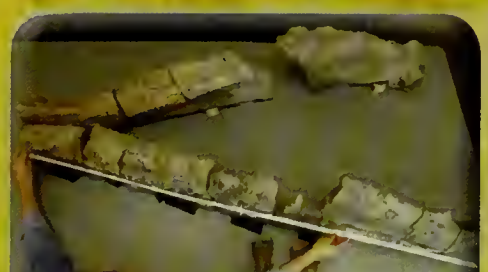
History's fearsame Tyrannosaurus Rex may have had miniature ancestors. A newly discavered ancient creature known as "Raptorex" clasely resembles its massive relative, at anly a fraction af the size. Experts repart it may have weighed anly 150 paunds campared ta T-Rex's 13,000 paunds. Raptarex would have existed 60 millian years befare T-Rex, and despite its size, would have touted on extremely powerful bite.

Let's Go Fly a Kite

Scientists fram the University of Califarnia and the Carnegie Institutian have discavered a way to create sustainable energy—through kites. High-altitude winds contain o vast amaunt of energy. 8y releasing kite-like wind turbines miles above the planet and tethering them ta the ground, researchers believe they cauld create enough energy ta supply electricity warldwide.

Cooling Sun

Scientists have discavered that the sun is at its dimmest in over 100 years. Typically, the sun undergaes 11-yeor cycles, culminating in the expulsion of salar flares and planet-sized debris. After 2008 the sun was expected to become increasingly hatter, but instead it was at a 50-year law far solar pressure and o 100-yeor low for sunspat activity. Although dimming af the sun hos resulted in decreased temperatures in the past, the anset of globol warming has likely counteracted this phenamenan.



Colossal Sea Monster

The fossilized skull of on ancient seo monster colled o pliosaur was discovered along the Jurossic Coast of England. The skull—doting bock 150 million years—measured neorly eight feet. Scientists believe the creoture's full size wos up to 52 feet long, making it the biggest pliosour ever found. The dongerous seo predotor could hove eoten o T-Rex for breokfost!

Carbon Capture

Professor Klous Lackner of Columbio University hos creoted o "synthetic tree" oble to capture destructive carbon dioxide 1,000 times better thon real trees. When the wind blows through the "leoves", corbon is tropped ond converted to o liquid farm. One unit could remove up to o ton of corbon dioxide from the otmosphere o doy—the equivolent of 20 cars.

Robots Can Swim!

Mechonicol engineers Komol Youcef-Toumi ond Poblo Voldivia Y Alvorodo of MIT designed robotic fish thot con swim ond moneuver just like real fish. They hope to one doy use the robots to help potrol bodies of woter such os lokes ond rivers, looking for pollutonts ond inspecting underwoter structures.

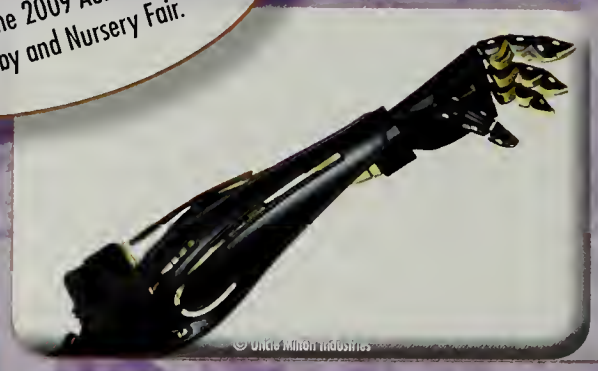
Tech Topics

Awarded Educational Toy of the Year at the 2009 Australian Toy Hobby and Nursery Fair.



Darth Vader Arm

The Darth Vader robotic arm, the latest and greatest in *Star Wars* related toys and collectibles, is easy to assemble with 45 pieces that snap together. Though just a toy, this robotic limb has the power to grip, turn, extend and hold objects.

What's the Word?

Social networking giant Facebook grew to more than 250 million users in 2009 and was valued at about $15 billion. With that many users it's na wonder the site has become a part of our daily language. This trend became even more evident when New Oxford American Dictionary and the American Dialect Society announced their "Word(s) of the Year". "Unfriend" was the first internet-inspired word to take the Oxford title while the American Dialect Society announced "Tweet" as its top word for the year and "Google" as "Word of the Decade".

The Bladeless Fan

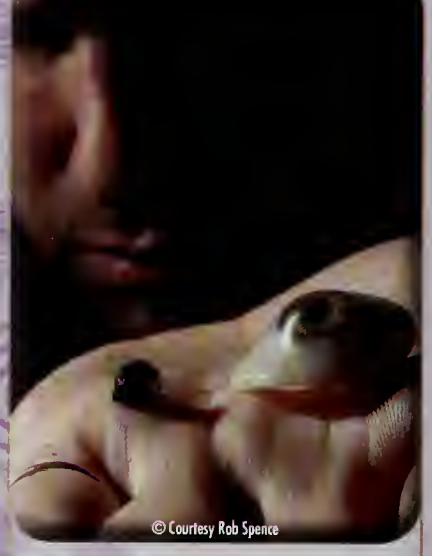
It's been 127 years since the standard electric fan was introduced and people have been pretty satisfied. Now, the Dyson company, well known for its innovative vacuum cleaners, introduced the first bladeless fan. The Air Multiplier pulls air through its base, which is then pushed through a hidden vent into the circular head of the fan to create an uninterrupted breeze.

3-D TV

Riding a wave of popularity since the release of hit movies like *Up* and *Mansters vs. Aliens*, 3-D is coming to television. Manufacturers such as Sony, Panasonic, Mitsubishi, and JVC all reported working on 3-D televisions. In the future, viewers will have the option of watching programs in 3-D, utilizing special glasses to see the third dimension.

Disposable Timing Chips

After years of clunky timing devices and expensive lost chip fees, runners will benefit from disposable timing technology. Using radio frequency identification (RFID), race organizers can put an integrated tag on race bib numbers to accurately record time during competition. The cost effective design also allows runners to simply throw away the chip after racing.

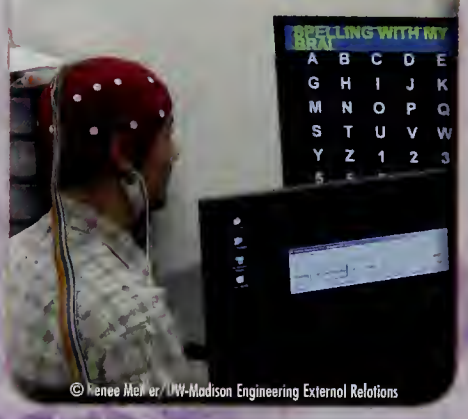


Seeing Eyeborg

Canadian filmmaker Rob Spence has lived with permanent damage to his right eye since the age of 11. In his efforts to regain vision, Rob partnered with a camera provider in an attempt to replace his eye with a wireless, battery-powered video camera for what is being called the "Eyeborg" Project.

Twitter on the Mind

Millions share their thoughts, opinions and updates every day (or hour) using Twitter. But University of Wisconsin doctoral student Adam Wilson's research revealed a new use—establishing a form of communication for those with extensive paralysis. Wearing an electrode-covered cap, Wilson focused his attention on flashing letters on a computer screen while his brain activity was monitored to figure out which letter he wanted. In the end he was able to tweet 23 characters with his mind.



Energy Saving Light

Philips Electronics introduced o new energy-efficient LED light bulb that uses just 10 wotts (compared to 60 wotts of the standard bulb) and generates the some amount of energy but lasts 25 times longer as its counterport. The bulb may sove os much electricity os is needed for 17.4 million households in o given yeor. Philips Electronics LED bulb was entered into the U.S. Department of Energy's L Prize competition ond if it tokes the prize, the company could be awarded $10 million in cash ond federal contracts.

Beatles Rock Again

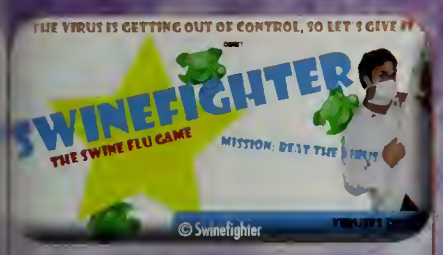
The Beatles rocked the music industry, re-releasing their famed anthology and launching their first ever video game. Decades after their last album was recorded, all 12 of The Beatles' studio albums were re-released in a new digitally re-mastered format. *The Beatles: Rack Band*, an experiential video game, features 45 of their hits and offers players an option to relive music history by playing through the tracks chronologically.

Cyborg Beetles

Ripped from the pages of science fiction comes the government-funded cyborg beetle. Development began on a project that has scientists implanting miniature electrodes into beetles to enable them to control the insects' every move via remote control. Though still in testing, the high-tech critters could one day be used as military spies.

Smart Thermostat

EnergyHub™ Dashboard was introduced addressing both the environmental and recession-minded concerns of today. The device wirelessly tracks your appliances and informs you of how much energy you are using. It also tells you how much your usage costs so you can make adjustments, conserve energy and pocket the savings.

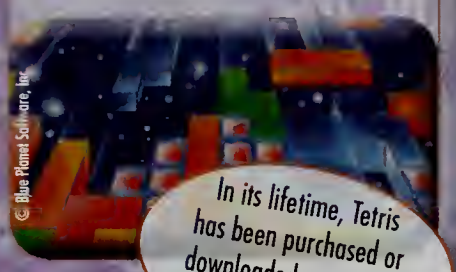


Reality Gaming

Video games got a dose of reality by taking their inspiration from the news. Games like *Hero on the Hudson*, *Swinefighter* and *Trillion Dollar Bailout* allowed users to be a part of the headline-making stories. The two-dimensional games, mostly developed for internet or cell phones, were simple, allowing creators to release them quickly after the actual events took place.

Tetris Turns 25

With an undeniable place in video game history, the popular puzzle game *Tetris* turned 25. A series of new features for a new generation were announced, such as *Tetris Acorn Drop*, a concept taken from the movie *Ice Age*.



In its lifetime, Tetris has been purchased or downloaded more than 125 million times.

Walk this Way

Before iPods became the "it" way to listen to music on the go, there was the Sony Walkman. Once the leader in music technology, the audio cassette player and radio turned 30 this year. The grandfather of personal music devices allowed users to take their favorite tunes anywhere, ultimately paving the way for the Discman, the MP3 player and the iPad.

My Technology

What were your favorite gadgets of the year?

Smart Phones get Smarter

The smartphone continued its rise in popularity as on-the-go technology evolved. From the popular Blackberry® series to the iPhone, smartphones offered everyone from business professionals and techies to senior citizens and even children hand-held access to the internet and continuous connectivity to the world. Additionally, 2009 was deemed "the year of the app" by many, with available applications surpassing 100,000 (and over 1 billion downloads) that can do just about anything imaginable—from efficient and practical to simple and fun.

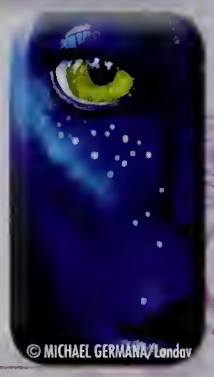
The New Face of Hollywood

Legendary filmmaker James Cameron reshaped the movie industry by helping develop the advanced camera technology used in his blockbuster hit Avatar. Cameron helped pioneer a lightweight, two-lens camera that can shoot dynamic live action footage in 3-D and a head-rig camera that accurately records facial expressions. The result is a stunningly realistic, digitally created movie that captures even the most obscure details on an actor's face. The computer generated characters, like those on Avatar's fictional planet of Pandora, appear more realistic than ever before.



Dirty Work

A DustCart robot, reminiscent of Disney's *WALL-E*, recently took to the streets of Italy. The robot, which will be tested in cities around the world, responds to residents who place their trash and recyclables on the curb and call for pick up. It fills up its belly with unwanted waste, much the same as the traditional dump truck. Though not as efficient as a fleet of trucks, the DustCart monitors air pollutants and is much quieter, running on lithium ion batteries.

E-Book It!

The Amazon Kindle wireless e-book reader has been growing in popularity since its introduction nearly three years ago. During the holiday season, the mobile reading device boosted record performance becoming the most gifted item in Amazon's history selling more e-books than physical books for the first time ever. Proving a growing trend, Barnes and Noble, Inc. introduced its own electronic reader, nook™ which took the number two spot on TIME Magazine's Top Gadgets of 2009.
